

## **RIVERSIDE CVB, Riverside California**

### **General Description**

With an ideal Southern California climate, Riverside is where Hollywood celebrities first came to vacation and honeymoon. Today, Riverside's Downtown Pedestrian Mall is a colorful district of antique shops, specialty boutiques, restaurants and galleries.

Whatever a group's size or needs, the Riverside Convention & Visitors Bureau staff is ready to do whatever it takes to make an event a spectacular success. A full-service organization, the RCVB assists with complete convention planning and event services: transportation, accommodations, catering, entertainment, tours, excursions and more. That is why so many groups return: to enjoy more of all that Riverside has to offer.

Riverside is just 25 minutes from the Ontario International Airport with its new terminal complex. Most hotels provide complimentary shuttle service to and from the airport.
